HORN oil drum pumps for delivery of lubricating oils out of different containers, such as drums, overhead storage containers, etc.

Hand pump OK 9 B
for engine, gearbox and
hydraulic oils up to SAE 80

- Pumping capacity
approx. 0.25 l/stroke*
- Single-action piston
- Drum thread G 2"
- Suction pipe 840 mm
- Non-drip outlet
- Adjustable drum screw connector
- Clasp for padlock

Transmission oil filler TG 5
for gearbox oil
up to SAE 140

- Pumping capacity
approx. 0.1 l/double stroke*
- Single-action piston
- Suction pipe max. 680 mm
- Mobile
- For 20-55 l container

Hand pump OK 9 BS
for engine, gearbox and
hydraulic oils up to SAE 80

- Pumping capacity
approx. 0.25 l/stroke*
- Single-action piston
- Drum thread G 2"
- Suction pipe 840 mm
- Non-drip outlet
- Adjustable drum screw connector
- Clasp for padlock

*Depending on viscosity and system

Hand pump OK 9 B
Item no. 122 023 000

Hand pump TG 5
Item no. 122 300 000

Hand pump OK 9 BS
Item no. 122 043 000
